

Arun is on the lookout for “A-ha moments”.

In 2011, he graduated in Electrical Engineering (Gold Medalist) from the National Institute of Technology, Bhopal, India. In that same year, he became Assistant Manager at NTPC Ltd, India’s largest power producer. Arun tries to innovate from the intersection of diverse fields. He is able to find inspiration in diversity. He loves working with people and having different experiences, which is why he left his small town in India to travel all the way to Portugal to enroll in the 2016 Magellan MBA (Double Degree programme).

Curious.
Easy-going.**

ARUN THOMAS
THE BIG DATA AFICIONADO

A proud nerd, Arun avidly seeks knowledge, using his free time to learn as much as he can about different fields - sometimes as diverse as education. It enables him to look at the world through different lenses. He calls himself a "moocaholic". When he's not "moocking", Arun enjoys reading. He is also an occasional cricket player.

The embodiment of the popular saying "Stay curious".
