

Fábio loves challenges and to live life to the fullest

Fábio Chaves is a former HSE engineer, with a specialization in renewable energies. While fulfilling his dream to study in Coimbra, he had the opportunity to join the Erasmus programme in Italy, a country he soon fell in love with. Later, he had the chance to return to Italy for his first professional experience. With the Magellan MBA, Fábio has discovered a desire to shift his career toward a new path in the Marketing area.
