

Filipe likes to think outside of the box.

Born in Porto, Filipe was raised between Aveiro/Porto, eventually settling in Porto where he did his undergraduate in Engineering in FEUP, and later a post-graduate in Real-Estate Management through the Porto Business School. He worked for 4 years in the construction industry doing project design before deciding to enroll in The Magellan MBA.

Filipe is a player that plays to win

For Filipe, nothing beats the thrill of going to a football game. Except maybe... playing board games. His favourite? The Settlers of Catan, the classic strategy board game where the goal is to be the first to settle an island. He also loves travelling and going to the movies.
